Have a terrific afternoon!

Aquariums All of your answers are inside. Don't listen to other folk.	**Double Folks** Smell the roses. Feel the sunlight. These are good times. Remember them.	**Candelibra** Ride the lightening. You have wings and you can fly.
Pisces Take a lesson from a sad dusty memory.	**C-word** The willow knows what the storm does not: resilience is stronger than force.	**Scrappy Doo** Take time with big decisions, but don't stop traffic.
Hairys You're good at learning this week. Learn a new skill!	**Simba** Shake off the lazies and get stoppin' Winter, as they say, is fixin' to come.	**Horse Archer** Third eye open! You can see behind the curtain if you squint.
Bull Stop running and turn around. You're stronger than your problems.	**Virgons** Take disappointment with grace. There's strength in forgiveness.	**Candycorn** Don't beat yourself up. Just try harder next time.

feel the fucking star magic!

So what do you think of that? Pretty low fidelity but holy shit, this is the first issue that hasn't felt like a shitty job burden in quite awhile, so I think this'll be what's up for a sec.

Also my Adobe subscription expired. And it's easier to carry paper than a laptop and the attendant hydra of cables and bull shit. And my eyes don't hurt. So if you have any thoughts, let us know. Is this legible? Send stuff in, especially friendly fan mail.

howlin' at you when I feel like it

volume 2 issue 82

Holy shit forever!!!

Oh wow, it's the secret admirer!

Hello and how are you today? Welcome to volume 2 of our precious little project. As you have by no doubt already noted, I opted to write it out by hand. "Why!?" you might ask. Well, because I hate computers. Sitting hunched before a glowing screen for hours a week was getting me down. So fuck it. I'm using pen and ink from now on.

Art follows us around like clouds. Tools are great ways to help us give form to the clouds, but we should never rely on them as a means to access our art clouds. A great story can be written in feces on a prison wall as well as it could be written with a golden feather on squares of silk. So welcome to the feces/prison chapter of the Secret Admirer. This is all first draft, so, well, there'll be spelling errors. ♡
